DRINK MORE WATER IF KIDNEYS BOTHER

EAT LESS MEAT AND TAKE SALTS FOR BACKACHE OR BLADDER TROUBLE.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

SWINE SHOWS WEAKNESS

(Courtesy of The Journal.)

PORTLAND, Ore., June 27.—Hogs were down another nickel today with \$9 the general price for tops. There was a fair run of stuff in the swine division, considering the last days of the week, and buyers continued on the bear side of the market with no special anxiety to secure offerings.

General hog market range: Best light, 200 lbs. \$ 8.00 Medium 7.75 to 7.90 Heavy 7.65 Fat Pigs 7.00 to 7.50

While there was only a small run of cattle reported in the yards, and former offerings have been cleaned up, the market shows a very sluggish disposition with a bearish tendency to prices. Most killers are out of the market unless they can secure a "snap" and for that reason business is at low ebb.

General cattle market range: Select light steers \$ 7.50 Good to prime 7.00 Good to choice 7.00 to 7.35 Ordinary to fair 6.75 to 7.00 Fancy cows 6.75 to 7.00 Good to prime 6.00 to 6.50 Ordinary 5.50 to 5.75 Select calves 8.50 to 9.00 Heavy 7.50 to 8.00 Fancy bulls 5.50 to 5.75 Ordinary 5.50 to 6.00

Mutton Comes Direct.

While there was a rather heavy run of mutton reported in the yards over night, out of the total receipts of 1658 head, seven loads were brought in direct for the Union Meat company therefore did not enter the market.

General mutton range:

Best shorn yearlings \$4.50 to \$5.00 Shorn wethers 4.50 Best shorn ewes 4.00 to 4.25 Light spring lambs 6.00 Heavy spring lambs 5.25 to 5.85

Livestock Shippers.

Hogs—W. T. Davenport, Redmond, one load. Sheep—Union Meat Co., Goldendale, Wash., five loads; C. E. Lucke, Canby two loads, direct to Union Meat Co.
